A Few Reminders
Dear parents
We have a busy few weeks coming up with a variety of activities planned.

Monday 25 March
Young Leaders Day
Our 5 student leaders will be travelling into Homebush with Ms Barrett for a day of leadership activities and some inspirational speakers.

Tuesday 26 March
School Photos
All children are to bring their envelopes to school on this day. Each child in your family must have a separate envelope. This is a school activity and children will be fixing their own hair and making sure their uniforms are straight etc so parents are not to be at school during this time.

Thursday 28 March
Mad Hatter’s Day
Children are to bring their hats to school. Parents are invited to the parade and P&C Raffle draw at 9.30am. Children will then be completing activities in class during the day. Parents are requested not to deprive their children of some great activities by taking them home early.

Friday 29 March & Monday 1 April
These two days are Easter Holidays and children do not come to school.

Tuesday 2 April – Friday 12 April
Swimming Scheme
Children in years 2 – 6 who have paid for these lessons by the cut off date will have received a note informing them about their inclusion in the program. The note also outlines what the children need to bring each day.

Three Exciting Projects
1. Bunnings Garden Project: The garden project has been approved by Bunnings. Next term they will be building garden beds outside Mrs Ray’s room to allow our children to learn about and grow our own vegetables. Mr Sherlock from Bunnings had worked very hard on this project and we appreciate his efforts.

2. Computer Lab: We are in the process of obtaining quotes for a 30 PC computer lab which we will be setting up in B Block. This will allow all children to work on their own PC computer and access the many DEC programs and lessons. Some parents have not given permission for their children to access the internet with supervision so those children will work on a paper based activity during lab time.

3. School website: Our new look website will be up and running in week 11 (8 April -12 April). Please take some time to have a look at and access all the information from the DEC as well as at school level.

Pesky Nit Time
It is the time of year when these little critters raise their ugly heads again. We have had a few notifications from parents so I am requesting that ALL parents check their child’s hair and treat the hair if nits or eggs are present. This way we will all remain relatively nit free.

HAPPY EASTER
To our families who celebrate Easter, the staff and I wish you a happy time with your families. Happy holidays to those who do not celebrate Easter. We will see all our rested students back at school on Tuesday 2 April.

Mrs Karen Masciocchi
Principal
