Term 4 Week 6

Dear parents & caregivers

We have a busy few weeks coming up so please ensure you read the newsletter regularly to keep up with what is happening at school.

Teen Ranch

Stage 2 students returned back to school last Wednesday after their three days at Teen Ranch. A good time was had by all but I am sure all students were glad to get home to their own bed and family comforts. A special thank you is extended to Mr Howe, Mrs O’Meara, Mrs White, Mrs Johnson and Mrs Clarke for attending camp with the students and giving up their own family time to supervise, support and ensure everyone had a good time.

Kindergarten Orientation 2

This is a reminder that the second Kinder Orientation session is on this Thursday at 10.30-11.30am. Children are asked to bring a small snack to eat as they will be sharing recess time with the rest of the junior school. Our numbers for 2016 are a little low at this stage so if you know of someone who has not enrolled their child yet for Kinder please ask them to do asap.

2016 Enrolments

To our existing families, please let us know if you are moving or changing schools next year as this affects the number of students enrolled and staffing for 2016. If you know of some new families moving into the area please let them know about our fabulous school.

LATENESS

Teach your children that being on time is an important habit to develop. Children who are constantly late to school miss a very important part of the school day when the teacher outlines what is happening during the day. It is also an important part of the day for new skills and concepts to be presented to students, as this is the part of the day when they are freshest and can concentrate better. Students who are late on a regular basis also become the target for comment by other students and often as a result isolate themselves from their peers.

NB : To ensure that all children’s safety is of the highest priority, all parents are required to attend the office with their child when they are late and sign the appropriate notes.

Reminder P&C Shopping Bus Trip on Sunday 22 November 2015 – There are a number of seats still available. The cost is $52pp including lunch. See school website or enquire at school office for more details.

Have a great week everyone.

If you are applying for ‘Out of Area’ enrolment, contact the office staff for the appropriate form and return the form to the school as soon as possible. We cannot guarantee placement for ‘Out of Area’ children until we review all the applications. Each case is considered separately.
On Wednesday my class and I celebrated our school's 30th Birthday at Eschel Park Public School.

First my class and I walked quietly to the hall. Then the teachers shared some experiences of when they were little. After a while 5 1\(\frac{1}{2}\)w performed a song and after that we cut the cake at the hall.

Next we walked back to class and played musical chairs, egg and spoon race, pin the tail on the donkey and some other games. Then we went back to class to cut the blue and white cake.

Later on we coloured birthday cards and signed our names on the class card and glued our candles on our class cake.

I felt happy to share my memories fun day!

Humpty was pushed!

By Kriss 5/6N

No one knows what happened to Humpty Dawson Dumpty, but there were some sheep tracks around the crime scene. It is believed that Mr Dumpty fell or was pushed off the wall at some time during the day. Others said that it could have been the walls fault.

The crime scene was investigated on the 11th of November at 6:06pm. There were no people found at the crime scene, so Mr Dumpty was by himself.

The Government is still trying to search for answers, so the park where Humpty fell will be closed. In conclusion, we can only say that Baa Baa Black Sheep might have something to do with it.
